108 CHARMAINE SINCLAIR

HOW about a look at that hornbag Charmaine Sinclair — the chick with norks like Easter eggs. I'd kill to get into a body like that.

Jim M., Morwell, Vic

YOU'D have to murder US first, mate.

'Cos young Charmaine's 39-23-37 bod is very high on the office wank list. In pornos like *Black Butt Sisters Do Miami* opposite SPINDLY Magnum D, and *Black and Blue 6*, Miss Sinclair has shown she's got what it takes — and takes what she gets.

But it wasn't always the case, Jim.

The daughter of Portugese-Indian and Jamaican parents, the young Charmaine craved attention by the truckload. And cockload.

She aired her dusky CHESTIES for English newsrag *The Sun* as a Page 3 girl, and got work in beaut stick mags like *Black Creem*. But something deep inside her pussy just couldn't leave it at that.

It was the cock-loving part, to be precise.

So she went smoo-out in the Sunday Sport Roadshow travelling strip troupe and hopped into grouse porn fillums.

At last her pussy was happy, GORGING itself on life-enhancing man-juice. And so was young Charmaine.

Until PIN-DICKED Robert De Niro came along, that is.

Sure, they rooted like...erm, SOMETHING for a while but it was inevitable Oscar-loving Bobby would drop her for his 'acting career'.

Sadly, the Charmster took it the wrong way.

She went all 'mature' and 'respectable' on us.

Now she models swimsuits and does catwalk stuff.

IT'S THE INDY UNDY BALL

WHILE all of them beaut cars were fangin' themselves STUPID at the Gold Coast Indy 300, revved-up revellers were flingin' off their strides and dancing like nobody's business at the Indy Undy Ball in the Surfers Paradise Tavern Beer Garden.

Also known as the Indy Risque Ball, it was the 10th annual bash, and for two FLESHY nights punters got to flaunt their underwear and genital bulges at each other till their tight-but-beaut elastics STRETCHED WITH JOY. As well as THAT, they got to enjoy the glorious displays of TITS AND SMOOS that take place when spunky chicks get all FRISKY. ►

REVVED-UP REVELLERS DROP THEIR GRUNDIES ►

INDY UNDY BALL

Unlike the great race, there were no CROO-WEL disqualifications, 'cos ALL SORTS of grundies were permitted — including boxers, crusty jockeys, Y-fronts, grouse edible ones, skimpy see-thrus and, of course, CROTCHLESS PANTIES.

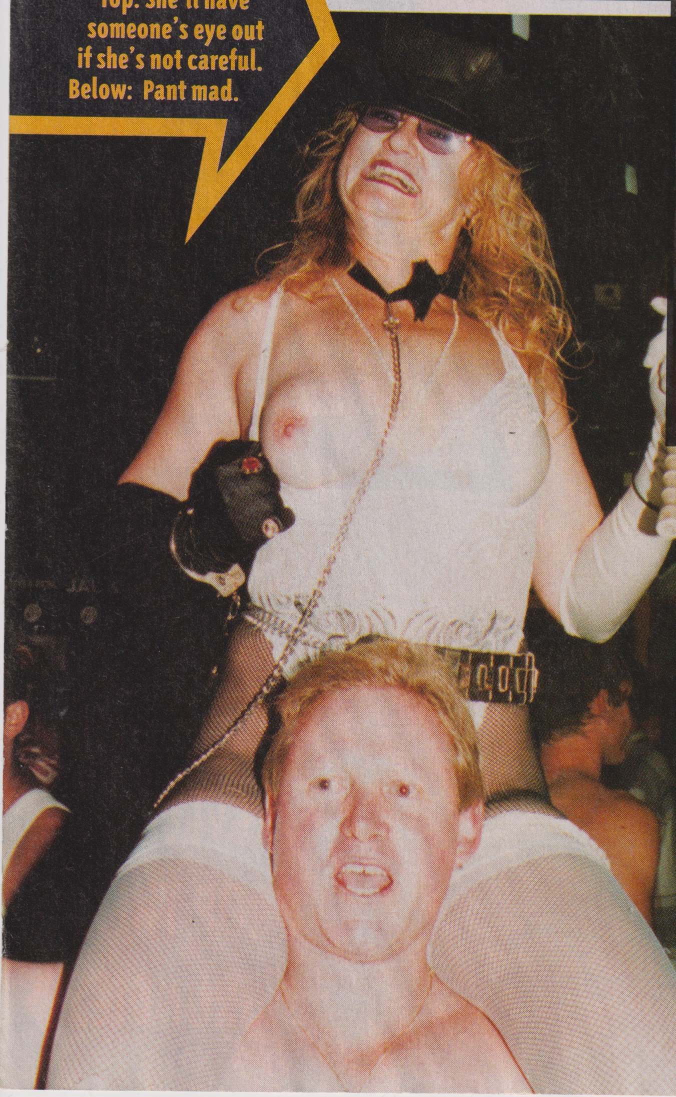
Oh, and our favourite kind: NONE AT FUCKEN ALL. Which is why we were there.

But the entertainment didn't stop there, readers.

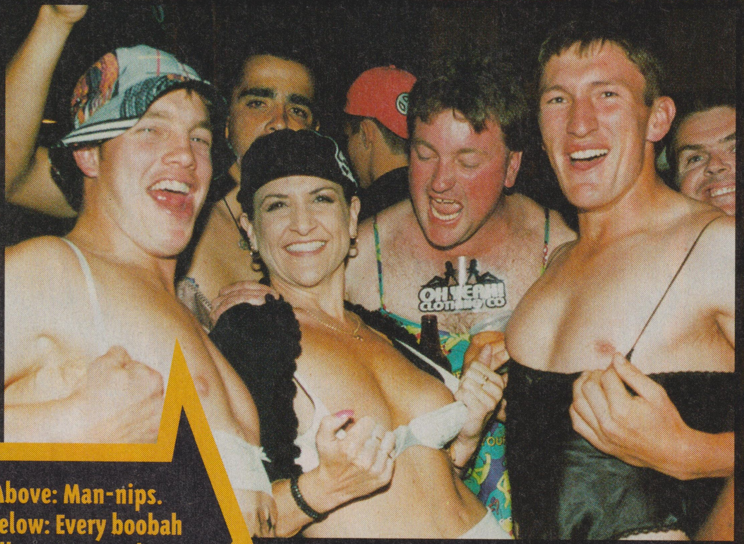
As punters sipped on their bevvies and tried to avoid champion WEDGIES, they could also

- WIGGLE about to pub rock heroes Rushmore and all the 'funky' DJs
- OGLE the spunky female (and...er, male) erotic dancers as they WRITHED AROUND SEXUALLY

Top: She'll have someone's eye out if she's not careful.
Below: Pant mad.



Everybody loves pants! Just look at this perky twosome GIGGLE and CAVORT.



OH YEAH!! CLOTHING CO

Above: Man-nips.
Below: Every boobah tells a story, readers. About stiffies.

INDY UNDY BALL

- COP A SCRUTE at the Funky Chix Dance Show
- SNIGGER at the rock'n'roll 'comedian'
- GOB on the podium dancers, AND
- GAZE drunkenly at the super laser lighting system.

There were even guest celebrities to POKE fun at. And bulk promo prizes to take home and play with once all the shenanigans had ended.

We even reckon some of the Indy drivers mighta been there. If they hadn't STAINED THEIR LONG JOHNS with URINE and FAECES in the time trials, that is.

Our own urine and faeces stains didn't stop US showing up, but.

Of course, we were FREE-DOGGING. ■

NEXT WEEK

The Indy heats up as big-boobed babes bare all on the balcony.

A couple of keen pant fanciers share a Bundy & Coke. And MASH TITS.

SANTA GERTRUDIS
Spunky Nude
Sheila Sheila

Only two bulls in Rocky still have their NUTS, and this is one of them.

BULLS PLEAD:

ills

AND SPUNKY NUDE SHEILA SHEILA GOES TO THE RESCUE

THE gonads of Rockhampton's bull statues have a new defender — that gutsy little hero Spunky Nude Sheila Sheila.

For years now, the bollocks of the six bull statues in Rocky, North Queensland have been subject to a constant campaign of kidnapping (or should that be NADnapping?), extortion, and, er...NASTINESS.

So we sent SNSS up there to have a prowl around and see if she couldn't put a stop to the epidemic.

Various methods to halt the GOOLIE DRAIN have been tried, the latest being to fit the nadgers with exploding dye markers to stain the thieves' hands. But so far, no-one has been caught.

Enter the world's BAPPIEST superhero.

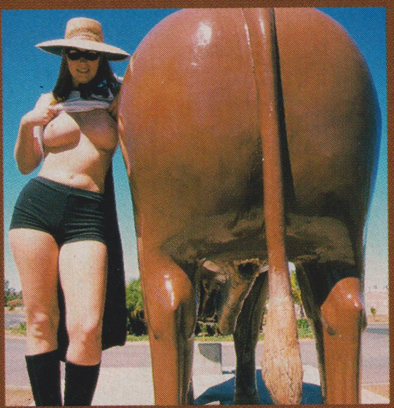
The results of SNSS's investigations into the MISSING DINGLEBERRIES are published here for the first time, and frankly readers it's...erm, NOT LOOKING GOOD.

Here's her report, sent on the back of a drink coaster from the Rockhampton Plaza cocktail bar:

9.15am: Arrive in Rockhampton.
9.30am: Investigate scenes of latest nut-nappings.
10.00am: Have a nap.
11.30am: Check out statues that still have balls, to see what we're looking for. Whoo-ee! These are some mighty big nadgers!
Midday: Stand next to a few more statues with my tits out.
1pm: Search cattleyards for testicle tracks, but only find pooey pong.
1.30pm: Go to pub for lots of drinks with umbrellas in them.
Midnight: Go home for *(hic!)* 'nother nap. Bullsh nadsh...shtill...mishing...zzzzzzz.

So, as you can see, SNSS's heavy-duty investigative trip to Rocky to solve the mystery of the disappearing bulls' balls was a COMPLETE and MISERABLE FAILURE. But you got to see her tits again, so that's SOMETHING. ■

Above: It looks like RED BULLSHIT, but it's a dye marker to catch TESTICLE THIEVES.



Below: Be careful, SNSS! You're about to FINGER A BULL'S RING!

PORN EXPO PULLS THE (BUTT) PLUG

BY BOB GELDING

THE PICTURE'S RAVING CORRESPONDENT

One of the stars of *The Adventures of Rocky & Bullwinkle* poses after the last AVN Expo.

A farewell to Palms

IT WAS with a heavy heart and LUMPY TROUSERS that I attended the very last summer AVN Adult Entertainment Expo in Las Vegas.

It's always been one of the highlights of my journalistic year, turning up to watch the guys and gals of the porn flick industry go HOG WILD and fuck each other all over the place in the steamy heat while nice Celine Dion music played in the background.

As a trained observer, I usually stood back, yoon of engine coolant in hand, and let them go at it, only very occasionally joining in to get the Gelding knob a BIT SALTY.

But now the expo has been CANCELLED, I guess it'll be back to those ALP conferences on the Gold Coast to get my jollies.

The last hurrah was attended by many bigwigs of the GROINAL INSTRUCTION VIDEO BIZ, including Nina Hartley, Marilyn Chambers and Ginger Lynn (all of whom were throating cock on film when dinosaurs still roamed the Earth), current queen of the creamy vagina close-up Jenna Jameson and up-and-coming fucktresses Tina Toy, Keisha and Jessica Drake.

While the girls lovingly tongued each other's rubbery labia to farewell the AVN Vegas summer expo, I wiped a sentimental tear from the eye of my dick, poured myself a shot of brake fluid and reminisced about times past.

Care to join me for a little walk down memory lane?

- Performing the baby elephant walk on stage during a discussion group on 'Feminism In Porn: To Swallow Or Not To Swallow' in '97.
- Flaming up a big fart and singeing Jenna Jameson's eyebrows during her autograph signing session in '98.

PONTIFF FINGERED IN SHOCKING VATICAN INTERNET SEX SCANDAL

IN AN astounding development that will SHOCK Catholics everywhere, ageing pontiff John Paul II has been accused of MASTURBATING his HOLY COCK over top Australian Internet porn.

The Australian adult association Club X Sexpo claims a computer within the Vatican City was used to access their site — **www.sexpo.com.au** — and that the person using the computer accessed 21 pages over a period of five minutes.

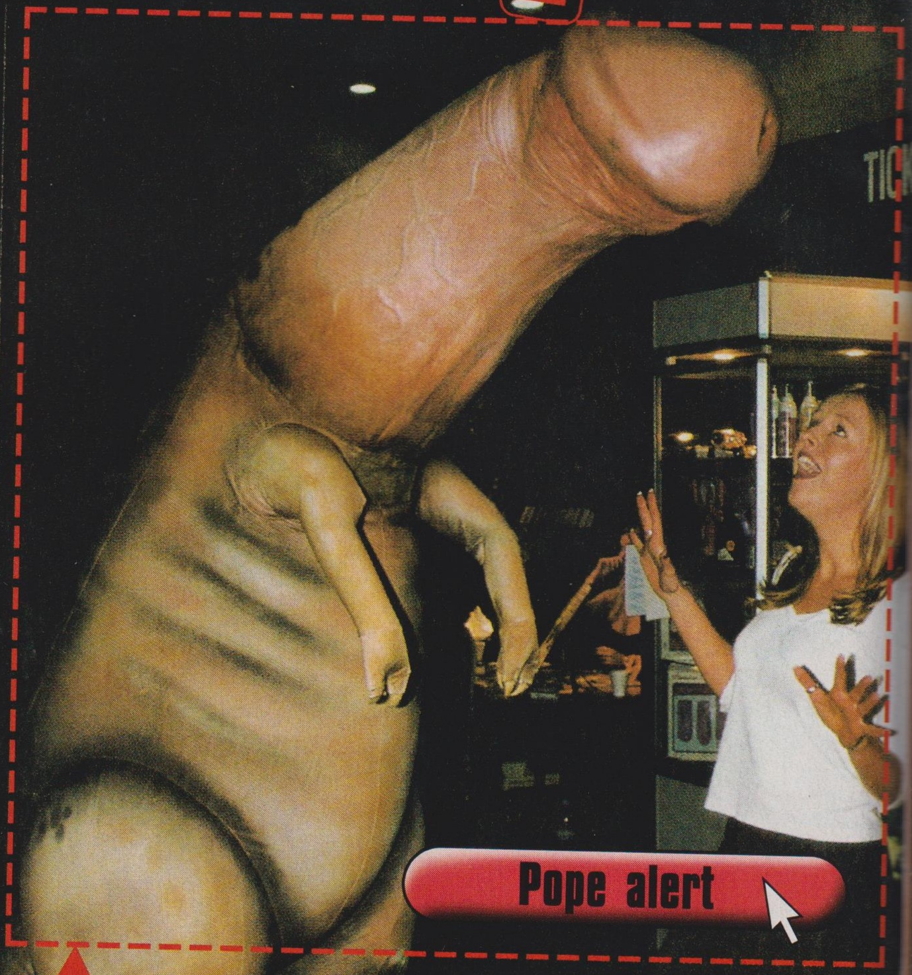
Which is about as long as it takes for a WANK.

The Club X Sexpo site contains

- Streaming videos of top-shelf EUROPEAN porn
- Info on how to hire Sexpo mascot, PENISAURUS
- EXPLICIT information regarding adult products, such as the 'FIST of ADONIS', AND
- A SPOOKY doctor telling you how to avoid WARTS on your TOOL.

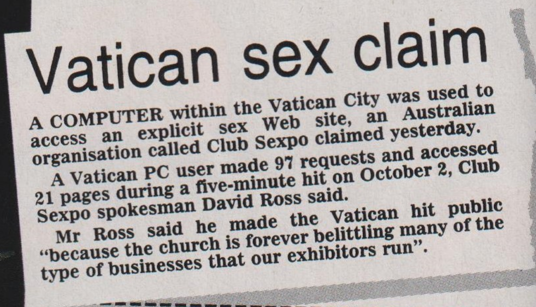
Now, we're NOT saying that it DEFINITELY WAS the Pope frantically MOUSING away with his left hand while offering a SALTY PRAYER to Heaven with his right. But, as the Vatican has a population of only 850, it seems a FAIRLY SAFE assumption.

Spokesman for the Club X Sexpo association David Ross had this to say on the matter: "Obviously the Pope — or one of his 849 minions — is not toeing the party line. But next time his Holiness visits, tell him we've reserved him a hotel room right next to the organisers' for the next Sexpo." ■



Above: Penisaurus practises up his stand-up act for his forthcoming showcase gig at the Vatican.

HE-HE! I'M BASHING THE BISHOP!



Vatican sex claim

A COMPUTER within the Vatican City was used to access an explicit sex Web site, an Australian organisation called Club Sexpo claimed yesterday.

A Vatican PC user made 97 requests and accessed 21 pages during a five-minute hit on October 2, Club Sexpo spokesman David Ross said.

Mr Ross said he made the Vatican hit public "because the church is forever belittling many of the type of businesses that our exhibitors run".

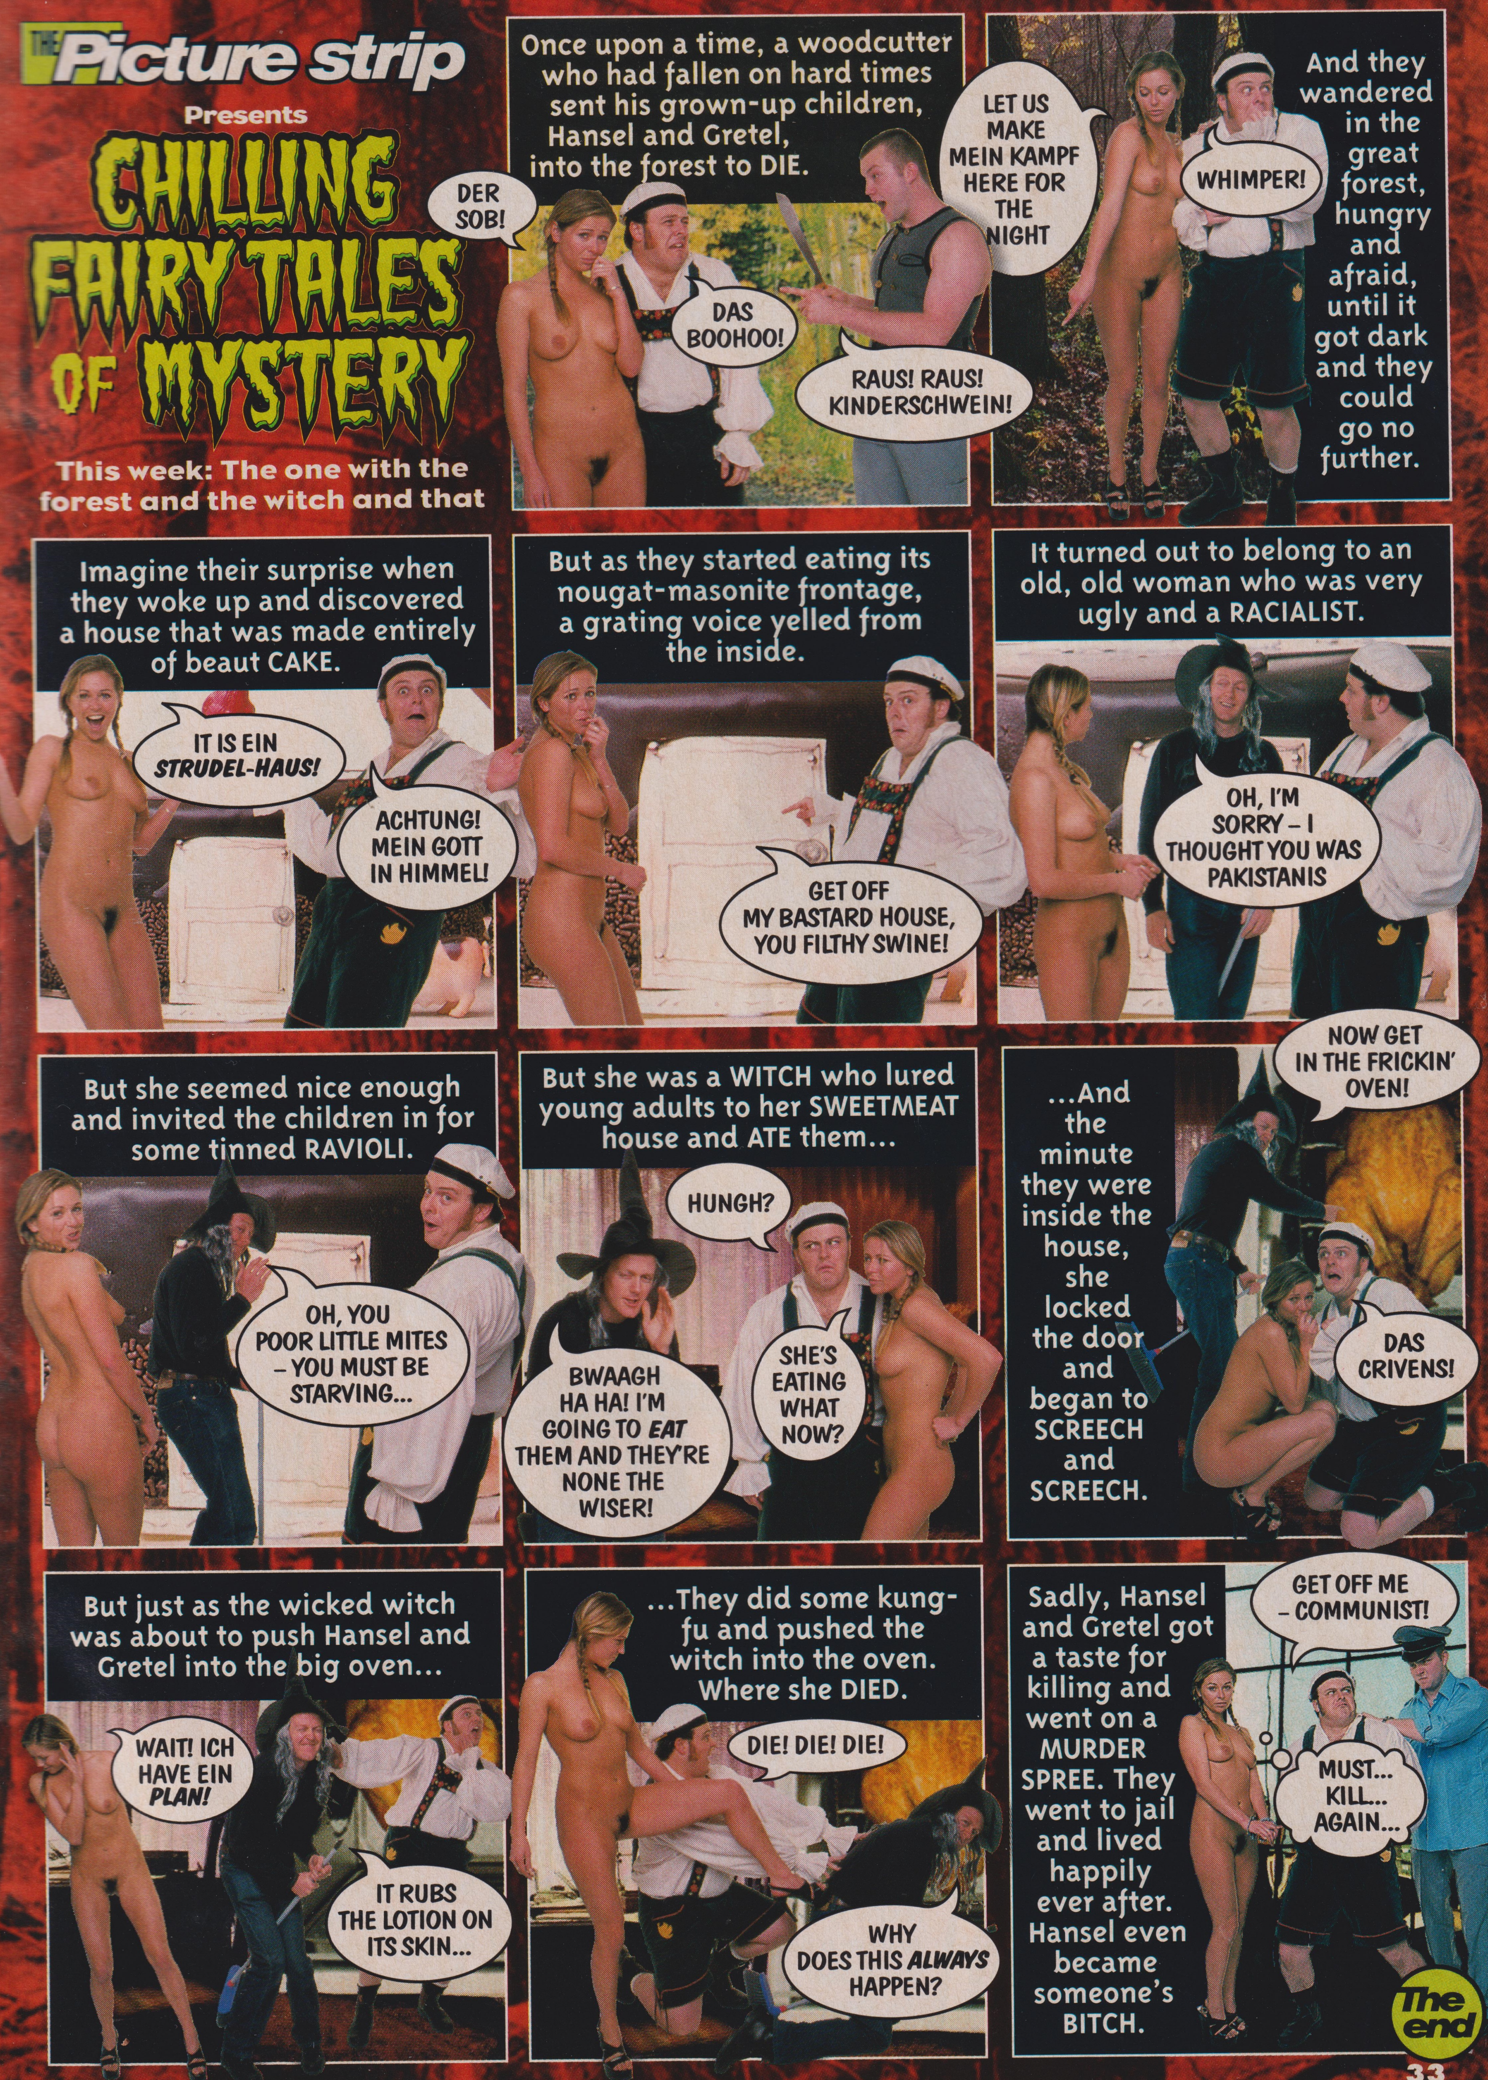
CHILLING FAIRY TALES OF MYSTERY

This week: The one with the forest and the witch and that



Once upon a time, a woodcutter who had fallen on hard times sent his grown-up children, Hansel and Gretel, into the forest to DIE.
DER SOB!
DAS BOOHOO!
LET US MAKE MEIN KAMPF HERE FOR THE NIGHT
RAUS! RAUS! KINDERSCHWEIN!
WHIMPER!
And they wandered in the great forest, hungry and afraid, until it got dark and they could go no further.
Imagine their surprise when they woke up and discovered a house that was made entirely of beaut CAKE.
IT IS EIN *STRUDEL-HAUS!*
ACHTUNG! MEIN GOTT IN HIMMEL!
But as they started eating its nougat-masonite frontage, a grating voice yelled from the inside.
GET OFF MY BASTARD HOUSE, YOU FILTHY SWINE!
It turned out to belong to an old, old woman who was very ugly and a RACIALIST.
OH, I'M SORRY – I THOUGHT YOU WAS PAKISTANIS
But she seemed nice enough and invited the children in for some tinned RAVIOLI.
OH, YOU POOR LITTLE MITES – YOU MUST BE STARVING...
But she was a WITCH who lured young adults to her SWEETMEAT house and ATE them...
HUNGH?
BWAAGH HA HA! I'M GOING TO *EAT* THEM AND THEY'RE NONE THE WISER!
SHE'S EATING WHAT NOW?
...And the minute they were inside the house, she locked the door and began to SCREECH and SCREECH.
NOW GET IN THE FRICKIN' OVEN!
DAS CRIVENS!
But just as the wicked witch was about to push Hansel and Gretel into the big oven...
WAIT! ICH HAVE EIN *PLAN!*
IT RUBS THE LOTION ON ITS SKIN...
...They did some kung-fu and pushed the witch into the oven. Where she DIED.
DIE! DIE! DIE!

The Rubber-ball

THE BEANO WITH BOUNCE

SWEATY arsecracks and RED-RAW NIPPLES were the order of the day at this year's excellent Skin Two Rubber Ball, held at London's whiffily historic Hammersmith Palais.

About 8000 of the Old Dart's finest rubber fetishists squeaked through the doors to dance to the music of a RUBBER BAND *[Oh, stop it — Ed]*, STRETCH their legs *[I'm warning you — Ed]*, and...um, SHOW THEIR TITS *[That's better — Ed]*.

Apart from the painful chafing that resulted, most of the attendees seemed to have a BRILL time toddling about in the rubber cossies their mums ran up for them on the Singer.

Of course, you don't have to be a rubber pervert to attend the Skin Two Rubber Ball. You can be a leather pervert, a PVC pervert, or an OSTRICH FEATHER pervert — just as long as you're not FREAKING NORMAL.

'Cos being normal is just too FUCKING PERVERTED for these perverts to take, if you get our drift.

The merry frolic ran until about 3am, at which time many present went home because they were TYRED *[Jesus fucken wept! — Ed]*, while others kicked on in beaut nightclubs with goons on the door.

And by saying that, we are by no means insinuating that they sunk the slipper into each other in some kind of weird, sado-masochistic ritual.

Oh, PERISH the thought! *[That's it. My office, NOW! — Ed]* ■

BIG-HEARTED SALTIES DASH FOR FLYING DOCTOR CASH

Alf Wilson

SALTWATER crocodiles, famous for eating Seppo tourists, outboard motors and BLOKES' DOGS, are redeeming themselves by raising money for CHAMPION CHARITY.

The third running of the VB Crocodile Cup, at the Aboriginal community of Pormpuraaw on the Gulf of Carpentaria, saw 49 of the SCALY HEROES give freely of their time and energy to drum up around $10,000 for the Royal Flying Doctor Service.

Each sponsored by a syndicate, prehistoric eating machines up to 1.5m long ran in seven heats, delighting the crowd with their zany antics as they scuttled down the 10-metre track.

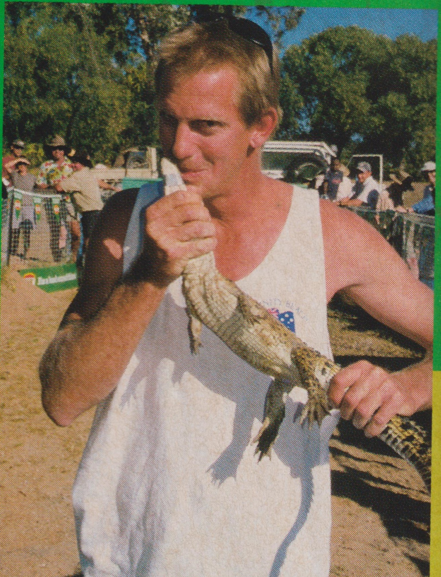
Then the winners backed up for the final, which was won by Scud Missile, just a well-fanged snout ahead of Shifty Shortjoe, with Transtate Flyer running a gallant third.

All the contestants were on day leave from the local crocodile farm, and once the races were over, that's where they returned, to spend their final days lolling about in the warm tropical sunshine, training to become HANDBAGS, BELTS and BEAUT CROC SNAGS.

Still, they had their moment of glory, and their chance to make up for all those years of BITING THE FUCK OUT OF ANYONE STUPID ENOUGH TO GO FOR A SWIM.

As Scud Missile was being loaded back into the truck to return to the farm and fulfil his destiny as DESIGNER LEATHERGOODS, syndicate head Rob Henley remarked: "It felt great to see Scud win, and the proceeds go to the Royal Flying Doctor Service."

We're sure he felt EXACTLY the same, Rob. ■



Rob Henley wisely decided to forego the tonguey when congratulating the Scud.

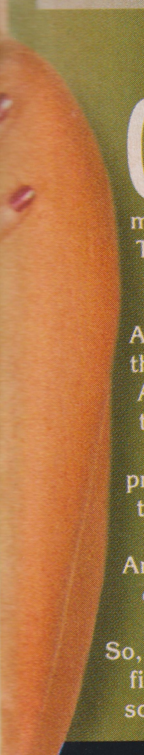
LIKE MOTHER, LIKE DAUGHTER



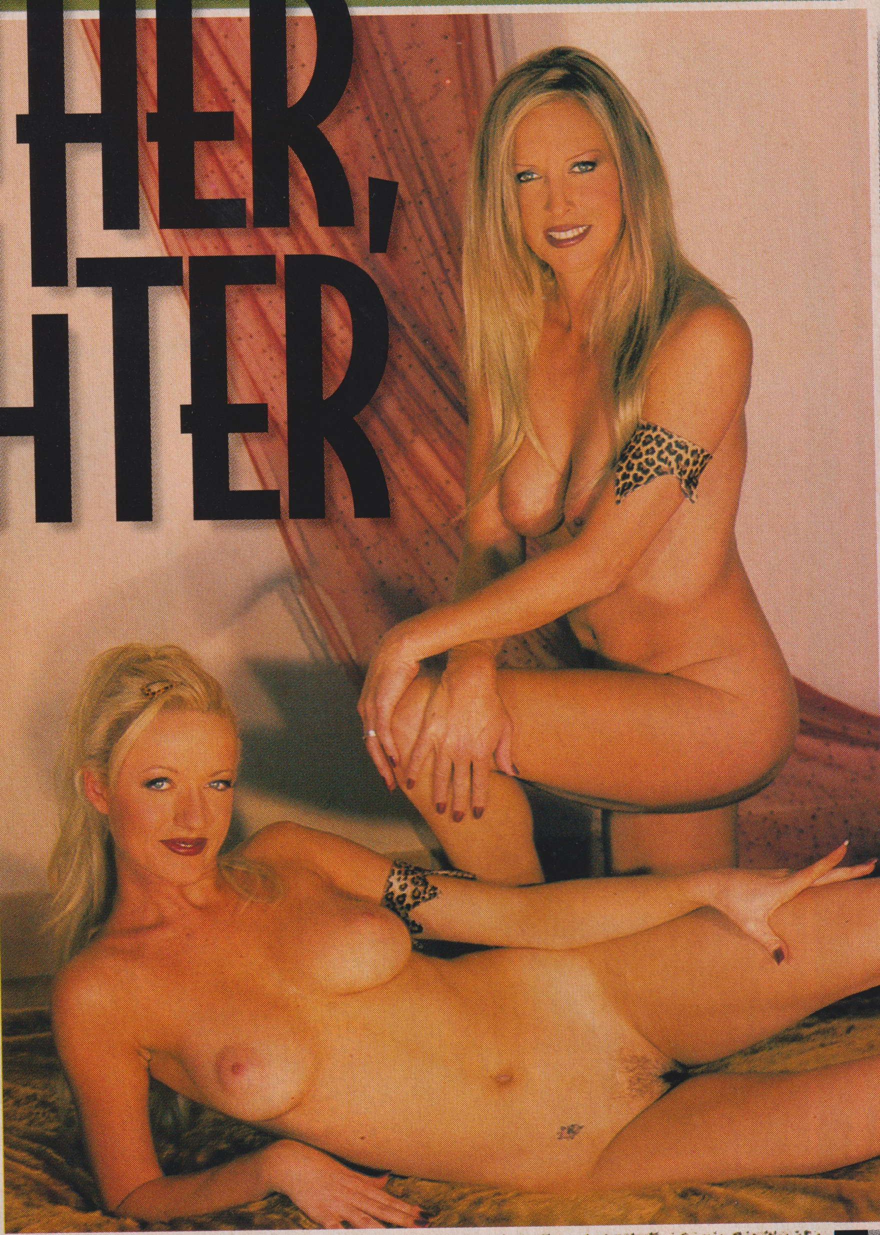
CHLOE and Ashlee, who hail from Brisbane, have a lot in common. Their perky bosoms; those long, tanned legs; the firm, taut buttocks; their mesmerising eyes...and their SURNAME.

They're the first mother/daughter pin-ups in the history of THE PICTURE. Yep, after 12 years of searching we've finally found two Aussie girls who have the GUTS, the attitude, the love and the NORKS to get nude together.

Ashlee, 36, is an interior designer and part-time hospitality worker. Eighteen years ago she GAVE BIRTH to Chloe, who works in promotions, likes riding motorbikes and used to be a gymnast *[She's the spunk with her hair styled back —Ed]*.

And as you can see, mother and daughter are doing FINE — so fine you could easily mistake them for SISTERS.

So, you ask, how did we PICTURE geniuses find these glamours and talk them into some pants-off photos? Er...we DIDN'T,



YES, READERS – IT'S AN ALL-NUDE FAMILY PORTRAIT

PICTURES BY BAMBI
Assisted by Bill Daul.

CHLOE:

'MY FRIENDS HAVE MISTAKEN US FOR SISTERS'

really. The girls did all the work.

G'day, ladies. How did your nude shoot come about?

Ashlee: "My boyfriend accidentally saw Chloe in THE PICTURE *[In #617 as Homie Of The Week — Ed]*...I was a bit mad to start with when he showed me. He jokingly said we should do a mother/daughter shoot. I laughed, then I thought about it and decided it would be a pretty good thing to do...I thought, 'If you've got it, flaunt it!'"

Chloe: "I was very, very surprised when she called to tell me. I said, 'OH MY GOD!'. But I was keen straight off the bat."

Champion! It's good to see you're not bothered by the WOWSERS and PRUDES who reckon mums and daughters should keep their gear ON.

Chloe: "There are just a lot of judgmental people out there, but what we did is just for fun."

Ashlee: "You could do worse things than this. It's a bonus for me that my daughter's not a drug addict and can stand on her own two feet. If she's proud of her body and wants to show it off, I think that's good...we're just showing what we were born in."

Well put. So, you made up your minds, then it was off to the studio with Bambi. How was that?

Chloe: "I'm not shy anyway but it was definitely more fun with Mum there."

Ashlee: "It was excellent, really

Leopard-print and metallic bikinis and clear stilettos by Bare As U Dare. Black leopard-print shirts and skirts by Wheels And Doll Baby

ASHLEE:

'WE'RE JUST SHOWING WHAT WE WERE BORN IN' good...having Chloe there helped. She's a good friend and her confidence helped me through my nerves."

Chloe: "We had to wear the really high stilettos and Mum kept tripping over! She doesn't get a lot of practice at wearing them and neither do I. We tried to hold a pose and we couldn't balance."

Ashlee: "The whole thing was very light-hearted. It was like playing dress-ups as a kid, but this time it was dress-downs."

How do you hope the readers react?

Ashlee: "I hope they think of closeness and a lot of innocence."

Chloe: "I just hope they think it's good."

Of course they will! Now let's get PERSONAL. What do you think the other girl's best feature is?

Chloe: "She has a beautiful face."

Ashlee: "Probably her boobs, I'd say."

People sometimes say a baby has her mother's eyes, Ash. Does Chloe have YOUR TITS? Or bum?

Ashlee: "No, I don't think so. She has better boobs than me — hers are bigger."

So Chloe, have any of your boyfriends said, 'Jeez, your mum's a stunna'?

Chloe: "Yeah, my ex-boyfriend said that and a lot of friends say it too. They saw her and just went, 'WOW!' They've mistaken us for sisters too."

It's easy to see why. Have you ever competed for the same man?

Ashlee: "Absolutely not. I wouldn't even let it happen."

How about going out on the town together?

Chloe: "We'd probably get harassed after doing this!"

Ashlee: "No, but she keeps wanting me to. If I didn't have a partner, I would."

Then take him too!

Ashlee: "Yeah, I suppose I could. It's on the cards."

HOORAY! What's your beauty routine, Ashlee?

Ashlee: "I don't have one. I eat pies, sausage rolls and chocolates, run around after my son and work quite a bit."

It's working beautly. If you had a Saturday night free, how could you best spend it?

Chloe: "I'd like to go out for a nice meal in a quiet restaurant."

Ashlee: "I'd spend a romantic evening alone with my boyfriend."

And what makes you feel sexy?

Chloe: "Wearing elegant, expensive, tight-fitting clothes."

Ashlee: "A romantic dinner with champagne, flowers, the works."

One more before we go. How do you like your sex?

Ashlee: "I don't have a favourite position. It's all good."

Chloe: "I like it romantic and gentle. I don't want to say which position is my favourite."

Oh — so MUM'S THE WORD. ■

Meet Ashlee and Chloe

Ashlee and Chloe will be signing magazines from 12-2pm on Monday, November 20, at the Granard Road News Agency, cnr Granard Road and Beattie Road, Coopers Plains, Brisbane. So come along, bring your mags and BE NICE!

Dave Lornie's ask the g.irls

G'DAY, fellow root rats. I ate a large steak the other day and didn't pass a MOTION out of my bottom for ages afterwards. When I finally did, the meaty ming of the steaming BLACK PILE was so bad, it KILLED my next-door neighbours. But they're in a better place now. Erm...see ya — Dave.

DEAR AMY

(#632 Home Girl), When I saw you, then read your article, I wanted to root you dogie — wild dogie animal style. I am a 21-year-old motor mechanic, and I'm still looking for a woman and hope you find interest in my letter. And yes, I am uncircumcised, if that is any consolation to you. *[I'm sure she feels MUCH better, bloke — Dave.]*

B.F., Doveton, Vic

AMY SAYS:

Thanks for the letter! Maybe if you're down my way we could meet up, as I'm single too. All that wild 'dogie' sex sounds very interesting! I must say, I like a man who's good with his hands — especially when it comes to cars! Thanks again for writing.

DEAR CATHERINE

(#630 Home Girl), I love the lovely smile on your face and your tits are so nice that I want to suck them off. I'd love for you to go down on me so I can lick your pussy out. When you go down on a guy, what do you think when they spoof in your mouth? Would you piss in a guy's mouth when you are sucking on a dick and you are enjoying his dick and you have to do a piss? Would you do it in his mouth? I look at the picture in the book. I love looking at your hairy pussy. I'd love to see your pussy open and hairy parts with cum. Kind regards,

M.D., Mt Pleasant, Vic

CATHERINE SAYS:

Thanks for the...erm, interesting letter. It was nice to get a response — particularly one as fruity as that! You sound like a...fascinating person. If a little disturbed. Because of this, I feel we should not meet. At least, not until you resolve your issues.

DEAR VANESSA

(#633 Home Girl), I don't know if the guys from PICTURE ever pass these letters on *[I find your lack of faith DISTURBING — Dave]* but I reckon your photo was fantastic. When I saw it, I imagined myself underneath you. No, I did not have a wank. I'd rather you wrote to me and we got to know each other. We have a few things in common. I'm not sleazy, I'm honest, I have tattoos on my arms, I love kissing and touching and I like a glass of white wine. Don't get me wrong, though — I'd love to get you between the sheets!

R.A., Epping, NSW

VANESSA SAYS:

Thanks so much for writing — I'm totally flattered! Your response was lovely and it made my day. I'm really glad you liked the photo. I was certainly not expecting any letters but I'm really glad to get yours. I have your details and may well be in touch one day.

DEAR TRINITY

(#629 Home Girl), From the moment I saw you, I had to set my cock free from my pants. You have beautiful tits and the most beautiful face I've seen in ages. I was also thinking that you could come and sleep at my house any night of the week and that we could achieve groinal satisfaction in the doggie position all the time.

A.W., Elizabeth Downs, SA

TRINITY SAYS:

Aw, jeez! What do you say to correspondence like that? Erm...thanks very much for the letter. I wasn't expecting a response — I thought my photo was gross! It was a lovely surprise to get one though! Dave has passed on your details and, if I ever find myself at a loose end, I might drop you a line. Thanks again!

Ask any PICTURE spunk ANYTHING you like and we'll send you a pack of ace PICTURE playing cards if we publish your letter. Write to *Ask The Girls*, THE PICTURE, GPO Box 5201, Sydney, NSW 2001 *(include the issue number).*

A NUN and a priest were crossing the Sahara Desert on a camel. On the third day, the camel suddenly dropped dead.

After dusting themselves off, they surveyed their situation. "Well, Sister, this looks pretty grim," the priest observed.

"I know, Father," the nun replied sadly.

"In fact, I don't think it's likely we can survive more than a day or two," he said.

"I agree," said the nun.

"Sister, since we are unlikely to make it out of here alive, would you do something for me?"

"Anything at all, Father."

"I have never seen a woman's breasts and I was wondering if I might see yours."

"Well, under the circumstances I don't see that it would do too much harm," the nun agreed.

She opened her habit and the priest enjoyed the sight of her shapely breasts. "Sister, would you mind if I touched them?" asked the excited priest.

The nun consented and he fondled them. "Father, could I ask something of you?"

"Yes, Sister."

"I have never seen a man's penis. Could I see yours?"

"I suppose that would be OK," the priest replied, lifting his robe.

"Oh, Father, may I touch it?" the nun tittered.

The priest consented and after a few minutes of fondling he had a huge erection.

"Sister, you know that if I insert my penis in the right place, it can give life," the priest gibbered.

"Is that really true, Father?"

"Yes, Sister."

"Then why don't you stick it up that camel's arse so we can get the fuck out of here?" said the nun.

AFTER discovering her young daughter playing doctor with the neighbour's boy, the angry mother grabbed the boy by the ear, dragged him to his house and confronted his mother.

"Maybe, but the little bloke took out her appendix!" the girl's mother yelled.

the man asked him what he would do if he only had five minutes to live.

"Well, I haven't lived a very passionate life, so I suppose I'd screw anything that moved," he answered. "What would you do?"

"I'd stand perfectly still," said his mate.

A DISTRAUGHT patient phoned her doctor's office. "Is it true," the woman wanted to know, "that the medication you prescribed has to be taken for the rest of my life?"

"Yes, I'm afraid so," the doctor told her.

There was a moment of silence before the woman continued, "But this prescription is marked 'No Refills'."

A WIFE'S husband had been slipping in and out of a coma for several months but she dutifully stayed by his bedside every day. When he came to, he motioned for her to come nearer. As she sat by him, he said, "You know what? You've been with me all through the bad times. When I got fired, you were there. When my business collapsed, you were there. When I got shot, you were by my side. When we lost the house, you were there. When my health started failing, you were still by my side. Christ, you're a fucken jinx!"

A YANKEE preacher began to deliver his sermon. "Someone in this congregation has spread a rumour that I belong to the K.K.K. This is a horrible lie and one that a Christian community cannot tolerate. I do not intend to accept this. Now I want the party who did this to stand and ask forgiveness." No-one moved.

The preacher continued, "Do you not have the nerve to face me and admit this is a falsehood? Remember, you will be forgiven. Now stand and confess your transgression."

Again all was quiet.

Slowly a gorgeous blonde rose from the third pew. Her head was bowed and her voice quivered as she spoke.

"Reverend, there has been a terrible misunderstanding. I never said you were a member of the Ku Klux Klan. I just told a couple of friends you were a 'wizard under the sheets'."

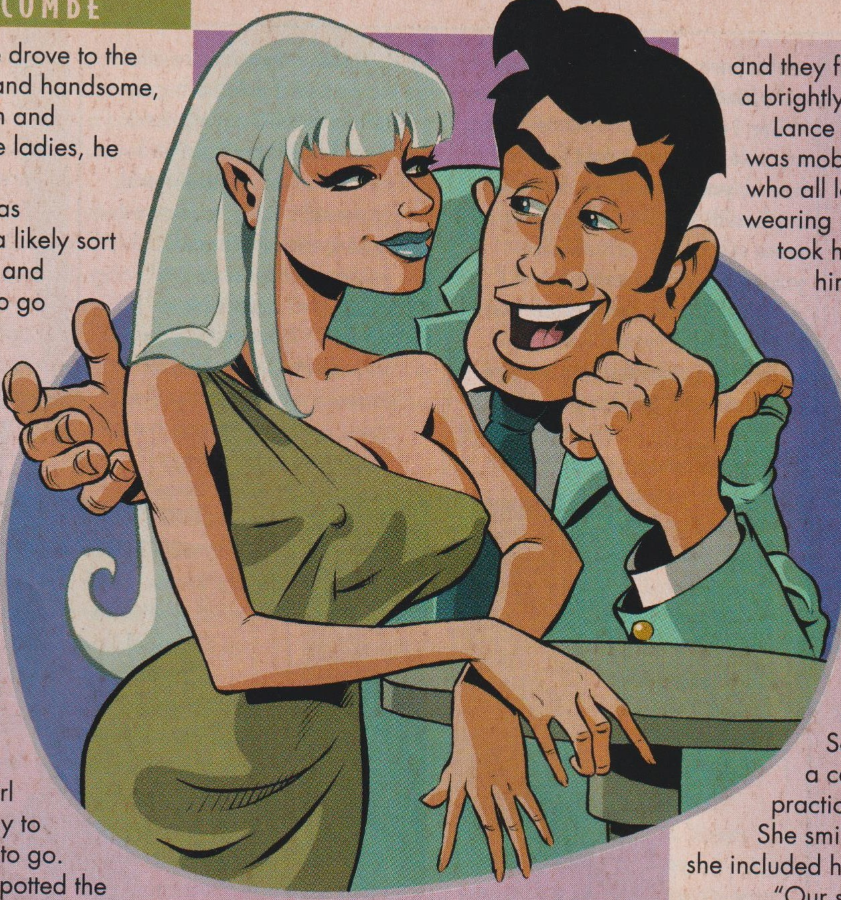
SPACE BALLS

BY STUART LARCOMBE



LANCE whistled as he drove to the nightclub. Tall, dark and handsome, with irresistible charm and a smooth line with the ladies, he was a real lady-killer.

His modus operandi was simple...he would target a likely sort and apply the charm, wit and alcohol until she agreed to go for a drive with him. His sexual conquests came easily. Fulfilling his sexual fantasy was more difficult.

Lance's fantasy was anal sex. He'd always wanted to poke a girlie up the rear passage — and he didn't mean in the hallway at the back of his parents' holiday house.

He'd had girls do all sorts of things *to* him, *with* him and *for* him, but no girl had ever allowed him entry to the place he most wanted to go.

At the nightclub Lance spotted the most gorgeous piece of arse he had ever seen. She was tall and slim, with the face of an angel, framed by platinum blonde hair that hung thick and lustrous to her waist. Her norks were firm and proud, straining against the green toga she wore, her puffy nipples clearly visible through the fabric.

She looked at him with a sexy half-smile on her full red lips. When he asked her to go for a drive she looked at him silently for a moment, then nodded and took him by the hand, leading him outside.

"Let's go to my place," she whispered seductively and Lance could feel his todger stirring inside his pants.

He grabbed her and they kissed. She reached behind him and cupped his arse cheeks with both hands, kneading the flesh through his trousers while her tongue probed for his tonsils.

When they finally broke for air, she laughed and insisted they go in her car.

She led Lance over to a weird-looking vehicle that he guessed must have been one of those new Euro-cars, 'cos it was unlike any car he had ever seen. But he was too horny to care and he happily climbed into the front seat beside her.

He was about to ask her about the car when they took off. Straight up! "Fucken hell!" yelled Lance, as he watched the city lights quickly recede and then disappear altogether.

With his mouth opening and closing like a beached fish, Lance turned to look ahead and saw they were approaching a gigantic space ship. *Independence Day* was his favourite movie, so Lance knew a fucking spaceship when he saw one. As they got nearer, a hatch opened and they flew through and landed in a brightly lit hangar.

Lance scrambled out the door and was mobbed by a crowd of women who all looked exactly alike, all wearing identical green togas. They took him to a small room and sat him down at a desk.

"Here's the deal, Lance," purred one in a voice so sexy it gave Lance the shivers. "We are beings from a planet far away. We have, through genetic engineering over many generations, achieved this state of perfect physical beauty. Our voyage has proven to be extremely tedious and will take many more of your species' lifetimes. Some of our crew desire a certain unnatural sexual practice to relieve the boredom."

She smiled and Lance knew that she included herself in all of this.

"Our sensors indicate that you crave the same thing."

From a drawer in the desk she produced a thick document. "If you sign on as ship's whore you will live with us for a thousand years as we travel to the next galaxy."

Lance leaned forward in his chair and grinned. "Where do I sign?"

The compartment was dimly lit, and Lance reclined naked on the huge round bed, ready for his first client. The door opened and one of the fantastically sexy aliens entered. She grinned wickedly at Lance and slipped the toga from her shoulders, exposing a pair of beautifully firm tits and erect nipples. She hesitated just long enough for Lance to fully appreciate her beauty before allowing the toga to fall, exposing the thick, veiny schlong hanging between her muscular thighs.

Lance screamed as the alien rolled him over and pinned him down with a hand on the back of his neck. The other hand scooped grease from the tub by the bed.

But his screaming was completely futile because, in space, no-one can hear you being reamed. ■

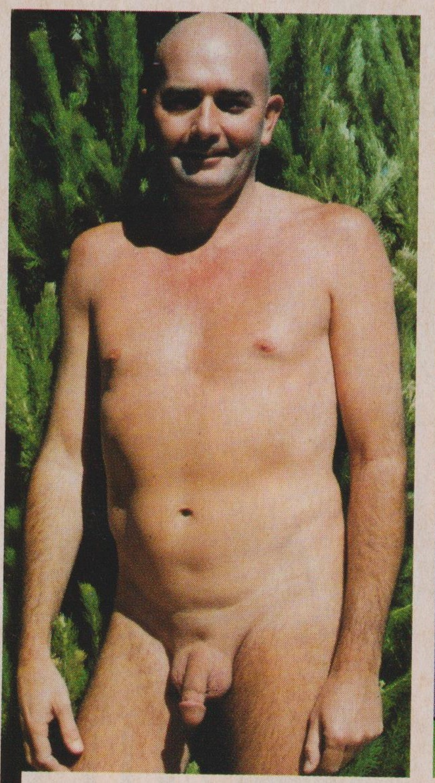
RON: PENRITH, NSW

Toiling under the harsh Australian sun as a labourer gives rippling 37-year-old Ron his magnificent physique. And even though he's single and a FINE CATCH for some lucky bird, he's not looking for LERVE. "There's no rush. I'm just waiting for the right girl to come along. It'd be nice if she was a redhead, but. I like the look of them." Talked into appearing in our CRAP book by his ex-girlfriend, Ron enjoys watching a PORNO and reckons chicks could improve in the sack by drinking less. "Some of the girls I've been with have been pretty messy." *Yes, we think we've met them...*

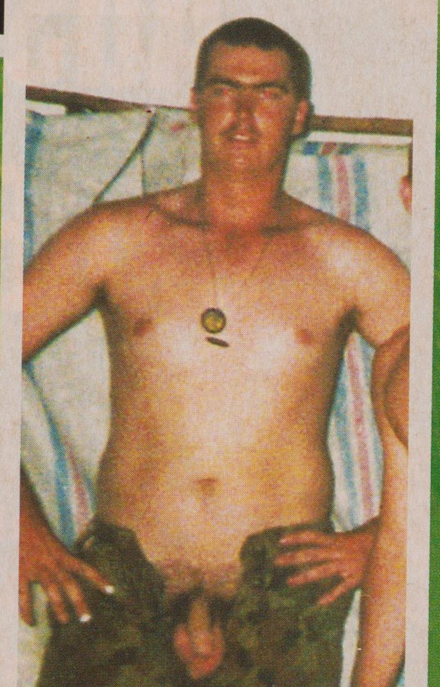


LES: OSBORNE PARK, WA

"I'm a compulsive nudist," Les, 44, declared to us proudly, "and I'm nude as often as possible. At home I am always nude. I drive nude, have barbecues nude, go to friends' parties nude and have often gone into shops and petrol stations nude." *GERFUCK! Whatever does the shopkeeper do?* "Most of them are just too stunned to do anything! And on hot summer's days, I think they sometimes ENVY me a little! Besides, everybody should be allowed to be nude. We should not be persecuted for wearing what nature created." *But we've all got SMALL COCKS...*

PHIL: ASHMORE, QLD

When 34-year-old Phil met his current girlfriend on a blind date, it was beaut LOVE at first sight. "A neighbour set us up. I've been seeing her for about 14 months now." *Aw — that's SWEET! How do you two crazy lovebirds GET IT ON?* "I like it when my girlfriend's on top. It's less work that way. I also like giving her head. Our sex is 90 per cent foreplay." *Wow. You sound just like JULIO IGLESIAS.* When Phil is not busy working as a joiner, he likes to bash a beaut volleyball around the beach and reckons he's always too FRICKIN' flat out to go to the pub. Much.



DAPPER: LEANYER, NT

Sprightly young Corporal Dapper, 24, has been in the army for the past SEVEN years and when he's not BLOWING SHIT UP, he's begging his de facto for sex. "I'm going through a bit of a dry spell at the moment — my de facto is pregnant with our second child." *How you gonna sink the PORK BAYONET when she gives in?* "My favourite position is any time she's awake and she lets me in! I'm not fussy!" Dapper was one of the first troops in East Timor and he'd like to fuck THE QUEEN, 'cos he reckons it'd be an interesting CONVERSATION STARTER.

Ca$hman

WITH JUDGE NUDIE

If you desperately need dollars, tell Ca$hman and Judge Nudie why in no more than 150 words. They may just help out (remember, Ca$hy loves PHOTOS with letters to prove your case).
Write to Ca$hman/Judge Nudie, THE PICTURE, GPO Box 5201, Sydney, NSW 2001. Ca$hman regrets that he is unable to reply to all requests for cash and cannot return your nice photos. Only the letters the two feel like answering will be published.

FANTASY ISLAND

JUDGE Nudie, I was havin' sex with three international callgirls when a bloody yoghurt bomb went off and took out half me prick. There was no time to look for it as the baby chimpanzees I was smuggling over the African border were makin' a hell of a racket. I had to pissbolt, 'cos the RSPCA was on my ass and, after all that, one of the callgirls stole me wallet. Can I have $150 please?

A.D., Gladstone, Qld

$0.00

JUDGE NUDIE SAYS: Yes! Sorry — I mean NO! I got a bit mixed up there for a minute, what with the implications of the callgirls and yoghurt and chimps and all. My my, you do lead a colourful life. Perhaps not so much of the red cordial in the future, young man.

PHONE HOME

CA$HY, I am 20 years old and have been sick with chronic fatigue syndrome for the past eight years. Because I'm sick, I missed out on attending high school and I can't go out clubbing or anything to pick up chicks. So the fact is, I'm still a virgin. I met a really great girl in an Internet chat room. At first we were just messing around having cybersex but it's progressed to phone sex and now we basically want to fuck each other senseless for real. This is great, however I live in Brisbane and she lives in Perth. I'm desperately saving up for the airfare but I'm still a long way off. Any help you might give would be so appreciated.
I fear if I don't get to her soon I may be a virgin forever.

M.Z., Brisbane, Qld

$0.00

CA$HMAN SAYS: You do realise that when you finally get to meet 'her', she'll turn out to be a 120kg transvestite trucker named Denise who's saving up for the dick removal and breast implants. Just thought that was worth pointing out. Because cybersex, however squidgy it seems at the time, is a treacherous beast and fraught with danger, not the least of which is finding yourself having rough bottom sex with transvestite truckers named Denise. So — for your sake — I'm not sending you any money. Sure, you may sob salty tears of disappointment on your pillow tonight, but one day you'll thank me. You really will.

GROSS ENCOUNTERS

NUDESTER, not long ago, my wife and I encountered two teenage lads snapping trees on our footpath. Words were exchanged before they left, and they gave us the finger and were mooning us as they left. An object was thrown at our car as we passed, so I got out and chased them but they jumped a few fences and I lost them. Then we met them again going up our street. One of them had a piece of wood and the other a length of pipe, and they were standing on the road threatening to hit the car. I got hit instead, trying to protect the car. I spent some time in hospital with a fractured nose, cheekbone and eye socket. Legal aid will not help me pursue the matter, and I need $120 to help prepare and type documents and collect statements. I am asking for your help.

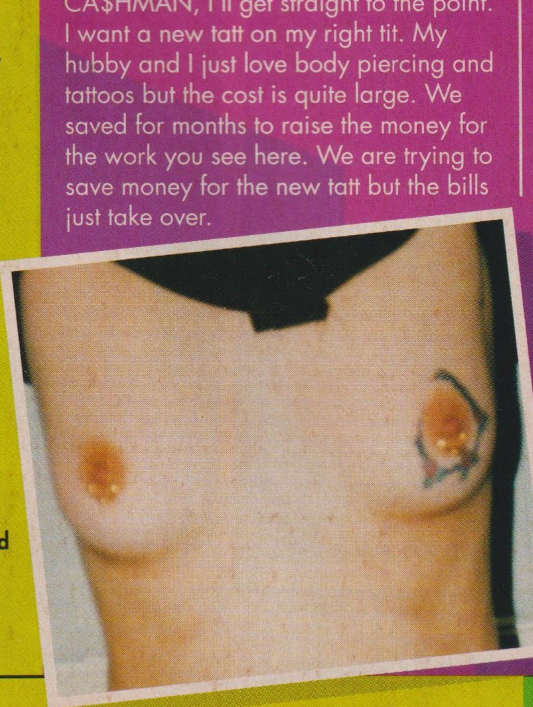
P.P., Loganlea, Qld

$120.00

JUDGE NUDIE SAYS: By jingo, if I'd had them little tree-snapping, pensioner-pounding scuzzballs in my court I'd have 'em sent down for 20 years' hard labour in the custard mines — you bet I would. But in my newer role as Australia's premier tits-out do-gooder, I can only sympathise and heave a sad sigh for the state of the world as I write you out this cheque for $120.

TIT FOR TATT

CA$HMAN, I'll get straight to the point. I want a new tatt on my right tit. My hubby and I just love body piercing and tattoos but the cost is quite large. We saved for months to raise the money for the work you see here. We are trying to save money for the new tatt but the bills just take over.



The new tatt I'm looking at is $150 worth of work. Could you please help me out with the money so I can surprise my hubby? I may even send you a photo of the new work when it's done.

K.J., Rockhampton, Qld

$80.00

CA$HMAN SAYS: I'm torn. While the angel on my right shoulder keeps telling me to give all the dough to frail pensioners and unmarried mums, the devil on my left shoulder keeps whispering "Unga unga unga! Beaut tits! Give her the money!". And frankly, I'm siding with the devil more and more these days. I like your perky pikelets, and I can appreciate that you feel a little lop-sided with just the one tatt, so I'm sending you $80. I just hope the angel forgives me.

LIFE has its little ups and downs, readers.

Especially during a footy game. Or a ROOT.

But what about those sheilas who put their little chests on the line for larger ones?

Are they physically and emotionally EMBIGGENED forever, or does life's grubby paw end up giving them the calloused MIDDLE FINGER?

We don't friggen know. Which is why we asked 25-year-old spunk Chanel here. She had her LUNG BERRIES enhanced about a year ago and now she's got spunky BIG, PLUMP ones.

Excellent new na-nas, Chanel. So was it worth rushing off to the TIT SUPERMARKET?

"Now I have more boyfriends and get more tips when I work behind the bar at the pub."

There's no downside, then?

"It cost a lot and the nipples aren't quite as sensitive now. I do miss that full sensitivity."

But essentially they're happy big bappies, are they?

"Definitely. I can also LICK MY NIPPLES now. I do it to show off during sex — it feels good. When I masturbate I start off touching my nipples with my fingernails, then I'll lick my nipples."

Hot diggety! How do you like your LOVE HUMPS handled?

"I like it when a guy massages

What if that cream is of the STEAMING COCK variety?

"I love it when a guy cums on me — it's a huge turn-on. I LICK SOME OF IT OFF and rub the rest in."

Sounds like you don't mind a wholesome and nutritional SPANISH SANDWICH, then.

"I love tit-fucking. I can see the COCK BETWEEN MY BREASTS and it's very visual. It turns me on to see the guy enjoying it."

Oh, we DO. What about blokes' tits?

"I think they're cute — I like the tiny little nipples."

Oh. We DON'T. ■

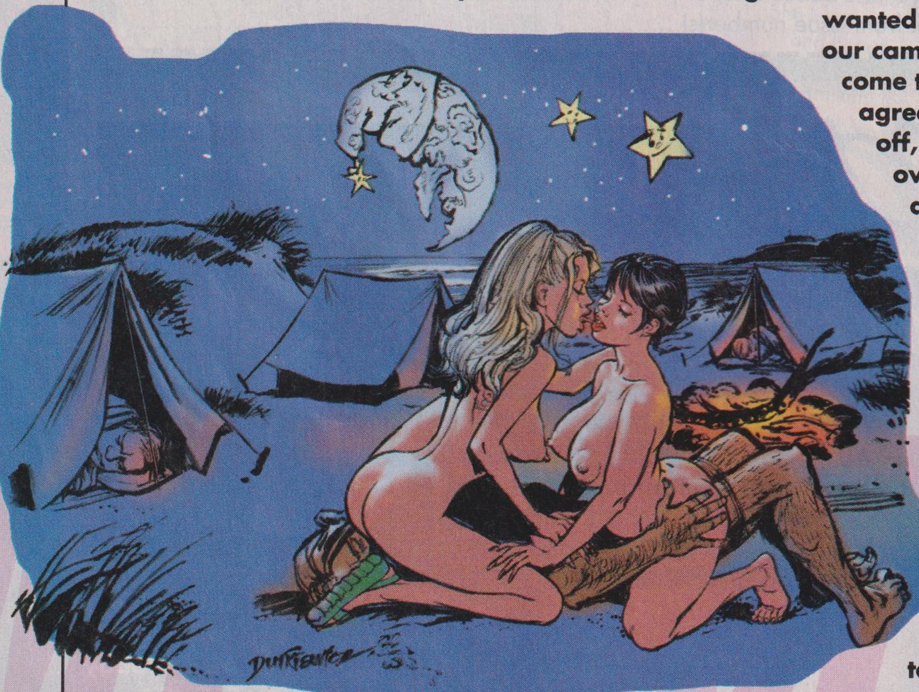
SON OF A BEACH

WHEN I was about18, a few mates and I decided to go down to the beach for the holidays.

I was popular with women but I was still a virgin. I seemed to be able to chat women up all right, but when it came to the crunch I went to pieces and panicked. Sometimes I even ran away.

Anyway, we brought a whole heap of food and piss. As we were setting up camp, I noticed these two birds walking by, so I took a chance and went over to talk to them.

One was kind of chubby with brown hair and the other was a peach with nice perky tits and long blonde hair.



I asked them if they wanted to come over to our camp that night and come to our party. They agreed and wandered off, peering back over their shoulders at me and giggling. That made me quite horny, so I nipped off into the dunes and batted my excited cock off.

When they came over, I got them a drink of Malibu and we all sat around the fire talking, but they just seemed to be ignoring me.

One by one, my mates flaked out and went to bed and soon it was just me and the women left. All of a sudden the blonde came over and started kissing me while the brunette pulled my rock-hard cock out of my shorts and started slurping on it.

The blonde lay me on the ground and sat right up on my face and I ate her pussy like it was chocolate. The brunette eased her way onto my dick and I came straight away. But the blonde then stripped and I got hard again, so I grabbed her and gave her a serving.

The next day we went to another beach and I never saw them again. But they'll always live on in my heart and in my polyester slacks.

C.R., Vic

BACKYARD BLURTS

MY FIRST fuck was enough to blow away any horny bloke, let alone an impressionable, innocent 20-year-old, and my eyes had been burning through the binoculars since she'd moved in a few weeks before.

You see, the neighbours' house had a pool and she'd been sunbathing nude every day. Her ripe melons were big and beautifully shaped and her beef curtains seemed to be awaiting my pulsating penis.

One day, when I was feeling more randy than usual, I decided to have a quick wank while I watched her. I was just getting into it when I fell out of the tree I was sitting in and landed on the ground with a bloody loud thump.

When I looked up, I saw my beautiful neighbour peering over the fence at me. Then I realised my hand was still on my cock. I started to apologise but she shut me up by beckoning me over.

I leapt the fence and within minutes, we were at it. I stuck my dick between her tits and made a hot dog. Thrusting away, I kept it up until my volcano was about to explode. Then I pulled away and down I went. I was headed for the flowing juices down yonder.

I nibbled hungrily at her wet pussy but she asked for my mongrel to fill her smoo. I pumped like I was drilling for oil as she screamed and moaned for more. Her pussy was really hot and it felt smooth against my unused dick. She started saying some crazy stuff about how she wanted me to fuck her forever and ever.

Unfortunately I was about to disappoint her, and I was about to do it with a massive-but-premature virgin load. I decided to make it a bit of a surprise for her, so I pulled it out and sprayed my spoof about like a fire-hose and it went everywhere.

Even in her hair.

GASH RASH

BACK in the days when EH Holdens cost about five bucks and you could go to the pictures for one cent, I had my first fuck.

I was on a blind date with a good-natured young girl called Cathy. She had short, light brown hair and a raunchy size-12 body.

We were raging away at Cronulla Leagues Club when she suddenly whispered that she wanted to head to Kurnell. She grabbed my cock, which was already half-rigid due to the fact that she wore no bra and her short skirt hid very little.

No sooner were we in the car, than off came her sodden panties. I started driving and fingering her wet snatch at the same time.

I'd been driving like this for about 10 minutes, when she suddenly lowered her mouth around my quivering cock. I immediately lost control of the sperm bank and spurted my warm, thick junket into the back of her throat.

As I lost control of the car, I screamed. We hurtled off the road, bounced down a steep embankment and came to rest axle-deep in the sand. I looked down to see her still sucking! She looked up and asked me where we were. I didn't bother with a response, as she'd started to calmly strip off — I just buried my face between her legs instead.

What a sweet bit of gear that pussy was. It tasted like Christmas!

Eventually I got hard enough to slide into her gaping love canyon. It was slick with gooey girl-cream and as hot as the fucken devil. I crammed myself in up to my nuts and set up a quick pumping motion that would shame an epileptic monkey.

It wasn't long before she got a steaming dose of creamy man-medicine up her other end.

The down-side is that it took two hours and $150 to get my car back on the road. But it was worth every penny.

ONE FOR THE ROAD

WHEN I was much younger, I used to help my Dad's mate Rodney on his farm.

He was driving me back to Melbourne one Sunday afternoon when we spotted a hitchhiker. We saw she was a woman, so we stopped and picked her up.

When she climbed into the cab of the ute, it became clear that she'd been around the mountain a few times. Her face was kind of craggy and old but her body wasn't too bad and she had the kind of low-down, dirty skank that really appeals to me.

Rodney fired up a joint, we all had a go and suddenly I felt a hand on my cock. After checking to make sure it wasn't Rodney's, I groaned as the saucy hitchhiker began to rub at it.

Rodney noticed this and soon saw what was going on. So he pulled out his old slug and said, "How about getting some of this into ya?"

With that, he stopped the ute and this old bird started jerking us both off. I didn't know what the fuck to do, so I just followed Rodney's lead.

We all got out and Rodney started banging her from behind. She then called me over and wrapped her mouth around my cock and I looked up to see Rodney going at it with his fat guts wobbling on her arse. "Come on, boy," he said, "you come around and have a go."

The old-timer started sucking Rodney off and she steered me into her soaking wet snatch. It only took about nine pumps before my sprog was unleashed, and Rod soon snorted like a pig and shot his tadpoles all over the place.

Then the hitchhiker put her false teeth back in. Rodney and I screamed, jumped in the ute and drove away fucken quick. We still laugh about it to this day.

The neighbours complained to the real estate about me." *Do you moan and groan or say stuff?* "I say things like, 'FUCK ME! FUCK ME! FUCK ME HARDER!'" *Spoont!*

ANGIE: PERTH, WA

This 39-year-old says she does work worth THOUSANDS of bucks every week but she never gets paid for it. *That's rough. What do you do?* "I'm on home duties, chasing after my four kids, being their taxi service." *What's making you happy right now, then?* "My hubby's home sick today." *And you're gonna BONK HIM, right?* "Definitely!" *How do you take your mind off home life?* "Watch TV, read a book, sew occasionally, watch the kids play sport and watch my hubby race cars. He's a speedway driver and I used to be part of his pit team." *And if you won Lotto tomorrow, you'd...* "Buy him a new race car and buy a new house." *You legend! How's your rooting going?* "Very good! I like it any way it comes." *What's your preference when it comes to penises? Big? Medium? Cut? Uncut?* "Whatever my husband's is." *Good answer.*

JODY: BANORA POINT, NSW

You're looking at a bona fide PORN STAR, readers! "My hubby and I made a porno for *Rosie [That's the beaut hardcore Aussie contacts mag — Ed]*. I loved it! It was unreal!" Jody beamed. *Did youse go HARD?* "It was full-on — you can see EVERYTHING in it. It's in sex shops." Aged 25, Jody's between jobs as a showgirl. She loves going to nudist beaches and she loves the nightlife. *What's the wildest thing you've done in bed?* "It'd have to be using a toy on myself in front of my man. I love sitting there doing that sort of thing in front of him." *Er...are you BISEXUAL?* "Oh, definitely! And my bloke's got to be in on it too. If he's not in it, then piss off!" *Got any plans for the future?* "I would love to get into a gang bang with my hubby involved. I reckon I could do five or six blokes — that's in BOTH ends!"

RENAE: LOGANLEA, QLD

"My hubby's an interstate driver," Renae, 22, informed us. "I sometimes go for as long as eight or nine days without seeing him. Then we just spend all day in the bedroom when we get together. We can't stop!" *Tell us a bit more about yourself, spunk.* "I have two little boys, I'm a housewife and I'm studying accounting." *How do you handle having NOUGHT ROOTS for eight days straight?* "He bought me a Pearl Bird vibrator — it's excellent. It's addictive but there's nothing like the real thing." *What else is news with your smoo?* "I'm trying to get together with some girls. I've done it three or four times with girls but a fat lady put me off for a while." *Your bestest position?* "Doggie-style." *What would you wear to give your bloke a big, fat stiffy?* "Nothing, really. Or some velvet underwear." *Mmm...VELVETY.*

BETH: ADELAIDE, SA

This married dish is looking for work at the moment, readers. *If you could walk into anyone's office and take their job off them, what would you do for a crust, Beth?* "I'd be a solicitor." *Good choice. We'd be RON JEREMY. When you stop scanning the classified pages, how do you amuse yourself?* "I enjoy horse riding. I go out to a farm to do it." *Some chicks reckon the rocking motion of riding gives their smoos a tingle.* "I've heard of that but it's never happened to me." *Then keep riding and GOOD LUCK. What happens at your joint on the weekends?* "I do a lot of cooking and my speciality is lemon soufflé." *Do you go out raging much?* "No, we stay at home all the time. We're too old!" *But you're only 30!* "We had enough fun when we were young." *Aw, we bet youse still have some...in the BEDROOM.*

Home Girls

FLASH FOR CASH

SARAH: BALCATTA, WA

"I'm doing part-time work serving drinks to guys. It's skimpy work and it's good money and good fun," 24-year-old Sarah, who starred in Home Girls early last year, told us. "The atmosphere is fun with all the guys drinking and you just get into it." *Do you give the grog a nudge yourself?* "Yeah, I like Southern Comfort. I can get through a bottle and a bit more in a night." *GARGLE! Sex and alcohol — are they a good combination?* "With the right person, yeah. You have more go with alcohol sometimes." *Single?* "Yes." *How's your honeypot handling it?* "It could be better. I haven't had sex since about three days ago." *What's normal for you?* "I'd have it every day, if not more." *Best rooting spot?* "In an aeroplane. A guy I knew paid to go up in a special Mile-High Club plane for an hour." *Fasten your seatbelts!*

RHIANNON: MALOOLABAH, QLD

Thanks for the beaut pic, spunk. "I sent it just to be in the magazine — it's something I've always wanted to do." *Fan of our crap mag, are ya?* "I think it's great. The best bit of it is My Funniest Fuck." *Have you got a japey sex story?* "It was in the back of an EJ Holden. The seat was really, really squeaky. We couldn't have been quiet if we tried!" A 20-year-old waitress who's addicted to shopping and going to the beach, Rhiannon works too much to go out clubbing. "I just like a punt on the pokies and a few beers," she said. *Who runs things in the boudoir — you or your boyfriend?* "Me." *Fave possie?* "Everything. I like them all." *What don't you like, then?* "I don't like any of the kinky stuff." *Where would you really, really, REALLY like to have a naughty?* "On the top of a high-rise building."

BROOKLYN: TAMARAMA, NSW

Don't play any Human Nature or Taxi FUCKEN Ride songs around this 19-year-old glamma, readers — she'd probably tell you to PISS OFF. After all, she's right into heavy metal. *Which bands do it for your eardrums, Brooklyn?* "My favourites are Slayer and Man O' War." *Do you go to the concerts and bang your head until you fuse your vertebrae?* "Yeah, sometimes." *ROCK! Going out much, mate?* "I occasionally go to pubs, and sometimes I see live bands." *Fave possie?* "Doggie-style." *What mistake do us blokes make in the sack?* "Not finding the right spot downstairs." *So do you help them or KICK 'EM OUTTA BED?* "I help them find it." *Why do you think we're so CRAP at it?* "It depends on how big their fingers are, and most men just don't know where it is." *Erm...don't know where WHAT is, Brooklyn?*

ELLY: DARWIN, NT

If all goes according to plan, you'll be seeing Elly, 22, on the stage, screen or in one of those glossy fashion magazines before too long. "I want to get into acting and modelling," she told us. "I'd do anything with love scenes and any work for tough girls — I did zen do kai and I know how to fight." When she gets a break from working on her portfolio, Elly gets into camping, swimming, singing, writing poetry and PARTYING. "I love the hardcore techno scene," she said. "I keep dancing, even when it's daylight." *What turns you on, spunky?* "A good, sexy man's body — not too fat, not too skinny." *What about big, muscly, chiselled blokes?* "Nah, you can't hang on to the chiselled ones." Elly's fave possie is doggie and her best-ever place for a scrump would be in an aeroplane, "way above the clouds" where the bluebirds fly.

KAY: BRISBANE, QLD

"My partner took the photo — we staged it in our garden," Kay, 29, sang down the phone line. *Did you and your bloke have a booble-shaking BONK afterwards?* "Oh yeah. The atmosphere was right!" *You working, spunky?* "No, but I'm looking for any job that comes." *Bet the $150 will come in shandy...erm, HANDY.* "Yes, I'll use it to fix up our little car." *How are you amusing yourself?* "Mainly staying at home, watching TV and renting videos." *Do you...er...watch PORNOS?* "We've got a few — they're quite boring. It's always the same sounds and the same stuff all over again." *Do you like your sex, Kay?* "Yeah, very much. We try different things and methods." *What's your fave way of doing it?* "It's nice to have two men at the same time. I've done it once." *Well, we hope you get a SECOND INNINGS, spunkbubble.*

KRISTY: DALBY, QLD

Playing softball, sunbaking, swimming and one-night stands are YOU-BEAUT, according to this 18-year-old. So what gives her the shits, you ask? "Ugly males cracking onto me when I go out," she replied. "They say, 'Show us your tits' — stuff like that. I just walk away and tell them to fuck off." *That'll show 'em! Tell us a bit more about yerself.* "I play softball, I love to sunbake topless and swim, and I go out almost every weekend." *Do you CUT SICK on the plonko?* "I like to drink a lot and I love bourbon and rum." *Wildest thing you've done on the turps?* "I kissed my best friend, who's female. It was in front of two of our male friends and they got off on it." *WOO-HOO! What's your go in the cot, Kristy?* "I'm very picky when it comes to men, my favourite position is doggie and I love to be licked all over."

$500 HOMIE OF THE WEEK

SOPHIE:

WELLINGTON, NZ

"It's my FIRST TIME," Sophie gasped — AND OUR COCKS TWITCHED. *What — a 20-year-old virgin?* "Yeah, I've never done nude modelling before." *Well, BOY HOWDY! How did you find it?* "It was cold, 'cos we were in a forest. These Asian tourists stopped to have a look. They waved." *Their cocks?* "No." *Oh. Anyway, do you go for the pale Kiwi knob, or the purple Aussie one.* "Neither. New Zealand men are arrogant and Australian men are sleazy. I prefer foreigners — English and Welsh boys." *But they really have got small cocks.* "How do you know?" *PASS. So what do you do with these great British bastards in the sack?* "I'm very selfish — I have to be satisfied first." *Good to see your smoo and tits know what they want. Speaking of which, your spunky left nipple has an ace piercing...* "It's my favourite bodypart. My tongue's pierced too." *Do you give gobbies?* "I'm not really into oral sex, but when I do, it's an added pleasure." *OOGA! You remind us of someone sexy.* "That'd be Sophie from Bardot. Everyone says so. I think she's hot." *Would you root her?* "Hell no, I love guys too much."
